Mission Statement for Continuing Education

The programs sponsored by the Civic Hospital Resident Alumni Association are directed to present the newest available information, concepts and techniques in the care of a wide range of podiatric medical and surgical conditions. The programs also include educational lectures in practice management. The format utilized includes lectures, audio-visual, hands on workshops and audience interaction.

The target audience, an experienced group of podiatric physicians, from around the country, will be able to add to their acumen and expertise as a result of these presentations. The intention of the programs is to enhance the knowledge and skills of the participants so as to improve health care to the public.

Learner Costs

Active Practicing Physicians \$1300.00

Retired Physicians \$975.00

Physician annual Dues not attending \$100.00

Residents \$750.00

Refund and Cancellation Policy

Cancellations are accepted until March 31, 2024 with a full refund.
